

Shenley Scorpions Basketball Club

2010-2011 Season

About Us

At Shenley Scorpions Basketball Club our motto is "Basketball For All". Want to play basketball for a team? Want to make friends, get fit? At Shenley Scorpions you can do all these things in a fun and safe environment. All our coaches are qualified through England Basketball, CRB cleared and registered with Milton Keynes Council. Our players represent Milton Keynes, Buckinghamshire, the South of England, the South APC and the England National Team, but if you just want to come to our practice sessions that's fine too.

We are the only Clubmark and 3 Star Accredited basketball club in Milton Keynes and also the only club that enters the Buckinghamshire Basketball League in every age group so **everyone** gets the chance to play competitive games. We also have a partnership with the Bucks Hornets for elite players to compete at the National League level.
