Monday

9.30 – 10.45pm

About Session

The key focus of this session will be fitness and fun! There will be a standard warm-up and cool down but no extended coaching or drills. The emphasis will be on exercise and games. There will be a strict **NO PAY, NO PLAY** policy after the **FREE TRIAL** first session (where Standing Order Forms will be handed out). Players will be responsible for setting up their standing order before they are permitted to train at the next session!

About Club

At Shenley Scorpions Basketball Club our motto is "**Basketball For All**". Want to play basketball for a team? Want to make friends, get fit? At Shenley Scorpions you can do all these things in a fun and safe environment. All our coaches are qualified through England Basketball, CRB cleared and registered with Milton Keynes Council.

We are the only Clubmark and 3 Star England Basketball Accredited basketball club in Milton Keynes and also the only club that enters the Buckinghamshire Basketball League in every age group so **everyone** gets the chance to play competitive games. We also have a partnership with the Bucks Hornets for elite players to compete at National League level.
